 - b. data rights: the right to compile and exploit statistics and other data in relation to the competition;
 - c. doping: the occurrence of one or more of the anti-doping rule violations set out in the *UEFA Anti-Doping Regulations*;
 - d. host association: the association organising a qualifying match;
 - e. marketing rights: the right to advertise, promote, endorse and market the competition; to conduct public relations activities in relation to the competition; and to exploit all advertising, sponsorship, hospitality, licensing, merchandising, publishing, betting, gaming, retailing, music and franchising opportunities and all other commercial association rights (including through ticket promotions) in relation to the competition;
 - f. media rights: the right to create, distribute and transmit on a linear and/or on-demand basis for reception at any time including on a live and/or delayed basis anywhere in the world by any and all means and in any and all media, whether now known or devised in the future (including all forms of television, radio, mobile, wireless and internet distribution), digital, audiovisual, visual and/or audio coverage of the competition and all associated and/or related rights, including fixed media, download and interactive rights;
 - g. partner: any party accepted by UEFA under contract to exercise the commercial rights, and thereby participating directly or indirectly in the financing of the competition;
 - h. technical zone: the technical area as defined in the *FIFA Futsal Laws of the Game*, plus the timekeeper table, the team and referees' dressing rooms, the players' tunnel and the route the players and referees take from their dressing rooms to the pitch.
- 2.02 In the context of these regulations, any phrase introduced by the terms "including", "include", "in particular", "for example" or any similar expression is illustrative and does not limit the sense of the words preceding those terms.

Article 3 Frequency and entries for the competition

- 3.01 UEFA stages the competition every four years.
- 3.02 Every UEFA member association (hereinafter association) may enter its national futsal team for the competition.

Article 4 Admission criteria and procedure

- 4.01 To be eligible to participate in the competition, associations must:
- a. confirm in writing that they themselves, as well as their players and officials, comply with the *FIFA Futsal Laws of the Game* and agree to respect the statutes (including the principles of fair play as defined therein), regulations, directives and decisions of UEFA;
 - b. confirm in writing that they themselves, as well as their players and officials, agree to recognise the jurisdiction of the Court of Arbitration for Sport (CAS) in Lausanne, Switzerland, as defined in the relevant provisions of the *UEFA Statutes* and agree that any proceedings before the CAS concerning admission to, participation in or exclusion from the competition will be held in an expedited manner in accordance with the *CAS Code of Sports-related Arbitration* and with the directions issued by the CAS, including for provisional or super-provisional measures, to the explicit exclusion of any state court;
 - c. fill in the official entry documents (i.e. all documents containing the information deemed necessary by the UEFA administration for ascertaining compliance with the admission criteria), which must reach the UEFA administration within the deadline set by the latter and communicated in due course through a circular letter sent to all associations.
- 4.02 The UEFA General Secretary decides on admission to the competition. Such decisions are final.

Article 5 Duties of the associations

- 5.01 On entering the competition, participating associations agree:
- a. to play in the competition until their elimination and to field their strongest team throughout the competition;
 - b. to stage and play all matches in the competition in accordance with the present regulations;
 - c. to comply with all decisions regarding the competition taken by the UEFA Executive Committee, the UEFA administration or any other competent body and communicated appropriately (by UEFA circular letter or by official letter, fax or email);
 - d. to observe the Safety and Security Instructions set out in Annex B for all matches in the competition;
 - e. to indemnify, defend and hold UEFA and its subsidiaries and all of their officers, directors, employees, representatives, agents and other auxiliary persons free and harmless against any and all liabilities, obligations, losses,

-
- damages, penalties, claims, actions, fines and expenses (including reasonable legal expenses) of whatsoever kind or nature resulting from, arising out of, or attributable to any non-compliance by the association or any of its players, officials, employees, representatives or agents with these regulations;
- f. to adhere to the principles governing the release of players for association teams as laid out in Annex 1, Article 1ter of the *FIFA Regulations on the Status and Transfer of Players*, and more specifically the status of futsal players as defined in Annexe 7 of these same regulations;
 - g. not to represent UEFA or the competition without UEFA's prior written approval.

Article 6 Responsibilities of the associations

- 6.01 If necessary, visiting associations must apply for visas from the diplomatic mission of the host country well in advance of their trip. Upon request, the host association must assist the visiting associations as much as possible with the visa formalities.
- 6.02 The associations are responsible for the behaviour of their players, officials, members, supporters and any person carrying out a function at a match on their behalf.
- 6.03 Matches must be played in halls within the territory of the host association. Exceptionally, matches may be played in the territory of another UEFA member association, if so decided by the relevant UEFA bodies, for instance for reasons of safety or as a result of a disciplinary measure.
- 6.04 The host association is responsible for order and security before, during and after the match. The host association may be called to account for incidents of any kind and may be disciplined.
- 6.05 Minimum medical requirements concerning the provision of facilities, equipment and personnel by the host association are set out in the *UEFA Medical Regulations*. For the avoidance of doubt, the host association has sole responsibility for the provision and operation of any facilities and equipment required in the above-mentioned regulations.

Article 7 Anti-doping

- 7.01 Doping is forbidden and is a punishable offence. In case of anti-doping rule violations, UEFA will instigate disciplinary proceedings against the perpetrators and take the appropriate disciplinary measures in accordance with the *UEFA Disciplinary Regulations* and *UEFA Anti-Doping Regulations*. This may include the imposition of provisional measures.
- 7.02 UEFA may test any player at any time.

Article 8 Fair play

- 8.01 All UEFA competition matches must be played in accordance with the principles of fair play as defined in the *UEFA Statutes*.
- 8.02 Fair play assessments are conducted at all matches in the competition in accordance with the *UEFA Fair Play Regulations*, in order to establish association fair play rankings at the end of each season.

Article 9 Insurance

- 9.01 All persons involved in the competition are responsible for their own insurance cover.
- 9.02 The participating associations are responsible for and undertake to conclude all necessary and adequate insurance cover for their delegations, including players and officials, at their own expense for the whole duration of the competition.
- 9.03 The host association must ensure that the owner and the operator of a hall used provide fully comprehensive insurance cover, including third-party liability and property damage. If appropriate insurance policies are not provided by the hall owner and the hall operator in due time, the host association is required to conclude the necessary additional insurance cover at its own cost, failing which it may be concluded by UEFA at the host association's expense.
- 9.04 All insurances must cover the full period of the competition, including the preparation and the post-competition phase.
- 9.05 Claims for damages against UEFA are expressly excluded and anyone involved must hold UEFA harmless from any and all claims for liability arising in relation to the competition. In any case, UEFA may request anyone involved to provide, free of charge, written releases of liability, hold harmless notes, confirmation and/or copies of the policies concerned in one of UEFA's official languages.
- 9.06 The host association must perform an assessment of the risks involved in organising and staging matches and conclude – with reputable insurers and at its own cost – all necessary insurance to cover such risks, including third-party liability and spectator accident coverage. The host association is responsible for ensuring that UEFA is included into the policies as a co-insured party.
- 9.07 The third-party liability policy must include an appropriate guaranteed sum for damage/injury for all occurrences (including bad weather, force majeure and terrorism) to persons, objects, property, and for pure financial economic losses, and it must correspond to the specific circumstances of the associations concerned.

Article 10 Intellectual property rights

- 10.01** UEFA is the exclusive owner of all intellectual property rights of the competition, including any current or future rights in all audio and audiovisual material of the competition, names, logos, brands, music and commemorative items. Any use of the aforementioned rights requires the prior written approval of UEFA, and must comply with any conditions imposed by UEFA.
- 10.02** All rights to the fixture list, as well as any data and statistics (including databases in which such data is stored) in relation to the matches of and players' participation in the competition are the sole and exclusive property of UEFA. No tickets or accreditation may be used by anyone in order to gain access to a venue for the purposes of collecting or gathering such data, and such activities are expressly prohibited. The foregoing prohibition does not apply to the participating associations, subject to any and all such data collected being used solely for the purposes of instructing their team, players and officials and expressly excluding any other exploitation or use whatsoever.

II – Competition System

Article 11 Competition stages and seeding

- 11.01 Matches in all stages of the competition are played in conformity with the *FIFA Futsal Laws of the Game*. The half-time interval must not exceed 15 minutes.
- 11.02 UEFA has been invited to enter seven teams in the 2020 FIFA Futsal World Cup. If a European association is designated to host the 2020 FIFA Futsal World Cup, only six teams can enter in addition to the host, which qualifies automatically.
- 11.03 The competition stages are as follows:
- preliminary round;
 - main round;
 - elite round;
 - play-offs.
- 11.04 Participating associations enter the competition as follows:
- The lowest-ranked teams in the national team coefficient rankings start the competition in the preliminary round.
 - The remaining teams start the competition in the main round.
- 11.05 The UEFA administration seeds the teams for the preliminary and main round draws in accordance with the coefficients of the participating associations. Coefficients are calculated on the basis of the sporting results of the associations' national futsal teams (see Annex A).

Article 12 Group formation and match system – mini-tournaments

- 12.01 All matches in the preliminary, main and elite rounds are played in the form of mini-tournaments hosted by one of the participating associations.
- 12.02 Each team plays each of the other teams in the group once, with three points awarded for a win, one for a draw and none for a defeat.
- 12.03 When establishing the match schedule, the host association is placed in position 1, and the visiting teams in positions 2, 3 and 4, according to their coefficient rankings.
- 12.04 The preliminary round participants are drawn into groups of three or four teams each. Depending on the number of entries, all group winners and several runners-up qualify for the main round.
- 12.05 All main round participants are drawn into eight groups of four teams each. The eight mini-tournament winners and runners-up qualify for the elite round.
- 12.06 The elite round participants are drawn into four groups of four teams. The winners of the main round are seeded.

-
- 12.07** If the host of the FIFA Futsal World Cup is not a European association, the four group winners and two best runners-up from the elite round qualify directly for the FIFA Futsal World Cup and the two remaining runners-up contest a play-off to determine the remaining European FIFA Futsal World Cup participant.
- 12.08** If a European association hosts the FIFA Futsal World Cup, the four elite round group winners qualify directly for the FIFA Futsal World Cup and the four runners-up contest play-offs to determine the two remaining European FIFA Futsal World Cup participants.

Article 13 Equality of points – mini-tournaments

- 13.01** If two or more teams in the same group are equal on points on completion of a mini-tournament, the following criteria are applied, in the order given, to determine their rankings:
- higher number of points obtained in the mini-tournament matches played among the teams in question;
 - superior goal difference from the mini-tournament matches played among the teams in question;
 - higher number of goals scored in the mini-tournament matches played among the teams in question;
 - if, after having applied criteria a) to c), teams still have an equal ranking, criteria a) to c) are reapplied exclusively to the matches between the remaining teams to determine their final rankings. If this procedure does not lead to a decision, criteria e) to i) apply;
 - superior goal difference in all mini-tournament matches;
 - higher number of goals scored in all mini-tournament matches;
 - lower disciplinary points total based only on yellow and red cards received in the mini-tournament matches in the round in question (red card = 3 points, yellow card = 1 point, expulsion for two yellow cards in one match = 3 points);
 - higher coefficient;
 - drawing of lots.
- 13.02** If two teams which have the same number of points and the same number of goals scored and conceded play their last mini-tournament match against each other and are still equal at the end of that match, their final rankings are determined by kicks from the penalty mark (see Paragraph 16.03 to Paragraph 16.04) provided no other team within the group has the same number of points on completion of the mini-tournament. Should more than two teams have the same number of points, the criteria listed under Paragraph 13.01 apply. This procedure is only necessary if a ranking of the teams is required to determine the team which qualifies for the next stage.
- 13.03** If on completion of a mini-tournament a draw is required, the lots are drawn in the teams' hotel after the final match. The draw is made by the UEFA match delegate and the heads of delegation or representatives of the teams concerned must sign a document stating that they accept the result of the draw.

Article 14 Determination of the teams qualified for the next stage

- 14.01 To determine the best runners-up, only matches against the teams in first and third place in each group are taken into account if the round comprises groups of three and four. If the round consists exclusively of groups of four, matches against all other teams are taken into account. In both cases, the following criteria are applied in the order given:
- a. higher number of points;
 - b. superior goal difference;
 - c. higher number of goals scored;
 - d. lower disciplinary points total based only on yellow and red cards received (red card = 3 points, yellow card = 1 point, expulsion for two yellow cards in one match = 3 points);
 - e. higher coefficient;
 - f. drawing of lots.

Article 15 Play-offs

- 15.01 The play-offs are played according to the knockout system, with each team playing each opponent twice, once at home and once away. The team which scores the greater aggregate of goals over the two legs qualifies for the FIFA Futsal World Cup. Otherwise, the provisions of Article 16 apply.
- 15.02 The ties are determined by means of a draw.

Article 16 Away goals rule, extra time and kicks from the penalty mark

- 16.01 For play-off matches, if the two teams involved in a tie score the same number of goals over the two legs, the team which scores more away goals is the winner. If this procedure does not produce a result, i.e. if both teams score the same number of goals at home and away, two 5-minute periods of extra time are played at the end of the second leg. If, during extra time, both teams score the same number of goals, away goals count double (i.e. the visiting team qualifies). If no goals are scored during extra time, kicks from the penalty mark determine the winner.
- 16.02 If extra time is required, there is a five-minute break between the end of normal time and the start of extra time. As a rule, the players remain on the field of play during this five-minute break, at the discretion of the referee.
- 16.03 Kicks from the penalty mark are taken in accordance with the procedure laid down in the *FIFA Futsal Laws of the Game*.

-
- 16.04 The referee decides which goal will be used for the kicks:
- a. If either goal could be used for the kicks, then, in the presence of the two captains, the referee tosses a coin to decide which goal will be used.
 - b. For reasons of safety/security, state of the field of play, lighting or other similar reasons, the referee may decide which goal will be used without tossing a coin. Such decisions are final and require no justification.
- 16.05 If through the fault of a team, the taking of kicks from the penalty mark cannot be completed, the provisions of Article 23 apply.

III – Match Scheduling

Article 17 Mini-tournament host selection

- 17.01** Associations wishing to host a mini-tournament must notify the UEFA administration in writing on the relevant form by the entry deadline.
- 17.02** In principle, the UEFA administration decides on the mini-tournament hosts before the corresponding draw, according to the following principles:
- a. If there are more associations interested in hosting a mini-tournament than there are mini-tournaments to allocate, the following criteria apply:
 - quality of the infrastructure (e.g. halls);
 - travel distances;
 - promotional concept;
 - previous experience as a host;
 - development of futsal.
 - b. If there are fewer associations interested than there are mini-tournaments to allocate, the UEFA administration identifies potential hosts and designates them, again applying the above-mentioned criteria.
- 17.03** Should it not be possible to designate mini-tournament hosts before the draw, the associations in the group(s) concerned must agree, within a set time after the draw, which of them will host the mini-tournament(s) in question. If the associations cannot agree, the UEFA administration will conduct a draw for this purpose.

Article 18 Match dates and fixtures

- 18.01** Matches in the preliminary, main and elite rounds must be played between the following dates:
- a. Preliminary round: 29 January – 3 February 2019
 - b. Main round: 22–27 October 2019
 - c. Elite round: 28 January – 2 February 2020
- 18.02** Play-off matches must be played on the following dates:
- a. First leg: 9 April 2020
 - b. Second leg: 12 April 2020
- 18.03** Even if the associations agree to stage matches on dates other than the reserved dates, all mini-tournaments must be completed by the end of the period reserved for that stage of the competition.
- 18.04** The dates of all matches must be entered by the hosts in the designated UEFA online system by the following deadlines:
- a. 17 December 2018 (12.00CET) for the preliminary round;
 - b. 22 August 2019 (12.00CET) for the main round;

- c. 28 November 2019 (12.00CET) for the elite round;
- d. 7 February 2020 (12.00CET) for the play-offs.

18.05 Four-team mini-tournaments must be organised according to the following schedule:

Day 1:	Arrival of all teams, referees and UEFA match officers Organisational meeting	
Day 2:	Matchday 1:	Team 2 v Team 4 and Team 1 v Team 3
Day 3:	Matchday 2:	Team 3 v Team 2 and Team 1 v Team 4
Day 4:	Rest day	
Day 5:	Matchday 3:	Team 4 v Team 3 and Team 2 v Team 1
Day 6:	Departure of all teams, referees and UEFA match officers	

18.06 Three-team mini-tournaments must be organised according to the following schedule:

Day 1:	Arrival of teams 1 and 3 Arrival of all referees and UEFA match officers Organisational meeting	
Day 2:	Matchday 1:	Team 1 v Team 3
	Arrival of team 2	
Day 3:	Matchday 2:	Team 3 v Team 2
Day 4:	Matchday 3:	Team 2 v Team 1
	Departure of team 3	
Day 5:	Departure of teams 1 and 2 Departure of all referees and UEFA match officers	

Article 19 Venues and kick-off times

19.01 The venues for preliminary, main and elite round matches and for play-offs must be fixed and entered in the designated UEFA online system by the host associations by the following deadlines:

- a. 17 December 2018 (12.00CET) for the preliminary round;
- b. 22 August 2019 (12.00CET) for the main round;
- c. 28 November 2019 (12.00CET) for the elite round;
- d. 7 February 2020 (12.00CET) for the play-offs.

-
- 19.02** When fixing a venue, the host association must take into account the length of the journey to be undertaken by the visiting team(s). In principle, venues must be no more than a two-hour bus drive from the nearest international airport and no match hall may be located more than a one-hour bus drive from the hotel(s), unless agreed otherwise by the visiting team(s).
- 19.03** Any objection by a visiting association regarding a selected venue must be communicated to the UEFA administration, with the host association in copy, within three days of the venue being confirmed by UEFA. The UEFA administration will take a final decision, confirming the venue or requesting that the host association propose another in accordance with these regulations.
- 19.04** If, at any time during the season, the UEFA administration deems that, for whatever reason, a venue may not be fit for staging a match, it may consult with the host association and ask it to propose an alternative venue, in accordance with UEFA's requirements. Should an association not be able to propose an acceptable alternative venue by the deadline set by the UEFA administration, UEFA may select an alternative neutral venue and make all the necessary arrangements for the staging of the match with the relevant association and local authorities. In both cases, the costs of staging the match must be borne by the association originally appointed as host. The UEFA administration takes a final decision on such match venue in due time.
- 19.05** Kick-off times must be fixed and entered online by the host associations by the following deadlines:
- 17 December 2018 (12.00CET) for the preliminary round;
 - 22 August 2019 (12.00CET) for the main round;
 - 28 November 2019 (12.00CET) for the elite round;
 - 7 February 2020 (12.00CET) for the play-offs.
- 19.06** Unless the UEFA administration grants special approval, associations are not allowed to fix kick-off times before 11.00 or after 22.00 (local time).
- 19.07** In halls without any proper warm-up area, and in the case of two consecutive matches, the host must leave at least 2 hours 15 minutes between each kick-off.

Article 20 Team arrivals and departures

- 20.01** Teams must arrive at the venue one day before their first match in a mini-tournament or their play-off.
- 20.02** Visiting teams should depart the day after their (last) match.
- 20.03** Unless they agree otherwise with the host association or UEFA, teams arriving earlier (i.e. more than one night before the start of a mini-tournament or play-off) or departing later (i.e. more than one day after their last match) are responsible for the extra costs incurred as a result of their early arrival or late departure.

Article 21 Changes to the match schedule

- 21.01** If any doubt arises as to whether a match can take place as scheduled, the association concerned must immediately notify the UEFA administration. The latter decides if the match is confirmed as scheduled or if any change has to be made concerning the venue, date or kick-off time. Such decision by the UEFA administration is final.
- 21.02** The referee decides if a match cannot start or if a match which has started must be abandoned. This decision is made after consultation with the UEFA match delegate and, when possible, the UEFA administration.
- 21.03** If there are fewer than three players on either of the teams, the match is not played or is abandoned.
- 21.04** In all cases, decisions taken on the basis of this article are without prejudice to any possible disciplinary measures.

Article 22 Rescheduling of matches

- 22.01** If a match cannot start or cannot be played in full, the full or remaining match time is, as a rule, played on the next day, without prejudice to any possible disciplinary measures. For that purpose, the host associations must conclude all the necessary agreements to ensure that the required facilities are available and can be operated.
- 22.02** If the match cannot be rescheduled the next day, the UEFA administration fixes a new date.
- 22.03** As a rule, a rescheduled match is played at the same venue. If the circumstances require a change of venue, the UEFA administration must approve the alternative venue.
- 22.04** In all cases, the UEFA administration must approve the venue and fix the new kick-off time taking account of the teams' needs wherever possible.
- 22.05** If an association is responsible for the rescheduling of all or part of a match, that association bears its own expenses, as well as any additional travel, board and lodging expenses of the other association, of the referee team and the match officers, without prejudice to any possible disciplinary measures.
- 22.06** If the match is rescheduled through no fault of either association, each party bears its own expenses related to the original fixture and the rescheduled match or remaining match time.
- 22.07** In all cases, decisions taken by the UEFA administration on the basis of this article are final.

-
- 22.08** If the referee decides to abandon the match, the remaining match time must be played according to the following principles:
- a. The match sheet may contain any players registered for the match in accordance with Paragraph 36.01, with the exception of players sent off during the abandoned match as well as players suspended for the abandoned match.
 - b. Any sanctions imposed before the match was abandoned remain valid for the remainder of the match.
 - c. Single yellow cards imposed before the match was abandoned are not carried forward to any other matches before the abandoned match is completed.
 - d. Players sent off during the abandoned match cannot be replaced and the number of players in the starting line-up remains as it was when the match was abandoned.
 - e. Players who were suspended following a match played after the abandoned match in question can be included on the match sheet.

The host association must appoint an official timekeeper and must cover all the costs related to the timekeeper (e.g. daily allowances, travel costs, board and lodging). If deemed necessary, the UEFA match delegate is empowered to use a neutral referee to act as a timekeeper at any time during the competition.
- 38.02 UEFA arranges for the referee team to arrive at the venue the day before the match or mini-tournament. If a member of the referee team does not arrive at the venue by then, the UEFA administration and the teams must be informed immediately. The Referees Committee takes the appropriate decisions, which are final.
- 38.03 If a first or second referee becomes unfit before or during a match and is unable to officiate, in principle the third official replaces him. This is decided on a case-by-case basis by the UEFA administration in cooperation with the Referees Committee. Such decisions are final.

Article 39 Procedure in case of severe injury to players

- 39.01 In the event of a suspected concussion the referee stops the game to allow the injured player to be assessed by the team doctor, in accordance with Law 5 of the *FIFA Futsal Laws of the Game*. 41.02 A player is automatically suspended for the next competition match after two cautions in two different matches as well as after a fourth and any subsequent caution.

- 43.03 UEFA has the right and a duty to check playing attires before the match and may retain questionable items for further review.

Article 44 Colours

- 44.01 Teams must take all approved playing attires to every match. The home team has the first choice as to which of its official playing attires it wears. If the associations are unable to agree on the playing attire to be worn by their teams, the UEFA administration will take a decision.
- 44.02 If, on the day of a match, the referee is of the opinion that the colours of the two teams could be confused, they will be changed. Such decisions, taken by the referee in consultation with the UEFA match delegate and the UEFA administration, are final.
- 44.03 Any outfield player replacing the goalkeeper and playing as a flying goalkeeper must wear the exact same goalkeeper's shirt, but with the outfield player's own number on the back.

Article 45 Numbers

- 45.01 The players must wear set numbers between 1 and 20, which must correspond with the numbers indicated on the official player list. If the number 1 is used, it must be worn by a goalkeeper. No number may be used by more than one player.

Article 48 Commercial rights

- 48.01 UEFA is the exclusive, absolute legal and beneficial owner of the commercial rights.

- 48.03 All agreements and arrangements pertaining to the exploitation of commercial rights in respect of the competition must be presented to the UEFA administration upon request. In addition, the commercial rights to any match in the competition may not be sold unless the sale is documented in a written agreement that provides for the payment of an appropriate fee to the host association. Any such fee forms part of the match receipts and remains with the host association.
- 48.04 UEFA owns and has the sole right, to the exclusion of the participating associations and any other party, to exploit the marketing rights to the competition generally or as a collective whole, including, by way of example, the right to nominate partners in relation to the competition as collective wholes. No participating association may participate in or allow any third party to use any rights granted by the participating association in any aggregation of marketing rights in any way that would permit a third party to create an association with the competition generally or as collective wholes. As a result, any grant by a participating association of marketing rights relating to the competition must be conditional upon the grantee and other third parties not exploiting the relevant rights in such a manner. By way of example, no participating association may create, or permit a third party to use rights granted by it to create, a website that is promoted as an official or dedicated website of the competition as a whole.
- 48.05 All associations participating in the competition undertake to take all legal and other measures that UEFA deems appropriate at its sole discretion to prohibit, prevent and stop any unauthorised exploitation of the commercial rights to the competition and to protect the ownership thereof.
- 48.06 For any match of the competition where production of a signal is foreseen, the host association undertakes to provide UEFA, free of charge and at least 24 hours before kick-off, with access to the transmission details for receiving the broadcast signal at a location of UEFA's choice. These broadcasts can be recorded by UEFA for purposes envisaged in this paragraph and a copy of such recordings will be made available to the host association upon request. If the signal is unavailable for whatever reason, the host association undertakes to provide UEFA, free of charge, in HDCam (or, if not available, in Digibeta or such other format as may be requested by UEFA) with a recording of the entire match, to be: (i) given to the UEFA match delegate as soon as possible after the end of the match; or, in exceptional circumstances, (ii) sent to a destination determined by UEFA the day

following the match. The host association of any match in the competition must ensure that any third party owning rights to the above materials grants UEFA the right to use and exploit and authorise others to use and exploit any and all media rights in respect of a minimum of 15 minutes of audio and/or visual material from each match, free of charge and without payment of any associated clearance costs. The host association acknowledges that such use may be aimed in particular at directly or indirectly promoting the competition within programmes produced by or on behalf of UEFA.

- 48.07** Participating associations may not use or authorise any third party to use any of the competition trademarks or music or any graphic material or artistic forms developed in connection with the competition in programmes, promotions, publications or advertising or otherwise without the prior written consent of UEFA. In addition, participating associations may not develop, use, register, adopt or create any mark, logo or symbol which refers to the competition or which, in UEFA's reasonable opinion, is confusingly similar to, is a colourable imitation of, is a derivation of, or unfairly competes with such trademarks, materials or forms.
- 48.08** In the event that the host association puts in place a ticketing programme for its matches, the host association shall ensure that, as a minimum, the ticketing terms and conditions for those matches stipulate that:
- a. no person may conduct any promotional or commercial activity in the match hall, without the prior written approval of UEFA;
 - b. tickets must not be used for any commercial purposes such as for promotion, advertising, use as a prize in a competition/sweepstake, or as part of a hospitality or travel package without the prior written approval of UEFA;
 - c. all people attending the match acknowledge that use may be made (free of charge) of their voice, image and/or likeness in still images and audio/visual transmissions relating to the match (this acknowledgement is required even if no formal ticketing programme is put in place);
 - d. no person attending the match may, without UEFA's prior written approval, record, transmit and/or exploit any sound, image, data, statistics and/or description of the match for any purpose other than for private use.
- 48.09** Associations must obtain all necessary third party rights and consents that are required in order for them to comply with this chapter and, upon request, must supply UEFA free of charge with the necessary documentation (including any third party consents) required to allow UEFA to use and exploit its rights under these regulations.

Article 49 Promotional purposes

- 49.01** UEFA owns and has the sole right, to the exclusion of the participating associations and any other party, to exploit all the promotional rights to the competition.
- 49.02** On registering for the competition, associations must grant UEFA the right to use and authorise others to use photographic, audiovisual and visual material of their team, players and officials (including their names, relevant statistics, data and

images), as well as the association name, logo, emblem, hall image and team shirt (including references to the kit manufacturers), free of charge and worldwide for the full duration of any rights for (a) the staging and organising of the competition (and future editions of the competition); (b) non-commercial, promotional and/or editorial purposes (including the use of such material in the multilateral production of television and media promotion and coverage of the competition and on/for the UEFA digital services); and/or (c) as reasonably designated by UEFA. Any such use may occur after the competition and may include references to and/or branding of third parties, including sponsors, provided that no direct association will be made by UEFA between individual players or associations and any partner. On request, the associations must supply UEFA free of charge with all appropriate material as well as with the necessary documentation required to allow UEFA to use and exploit such rights in accordance with this paragraph.

49.03 The associations must also provide, upon request, all relevant data and/or information for UEFA's promotional purposes, in particular its official website(s), and for competition-related UEFA publications.

49.04 Associations must obtain all necessary third party rights and consents that are required in order for them to comply with this chapter and, upon request, must supply UEFA free of charge with the necessary documentation (including any third party consents) required to allow UEFA to use and exploit its rights under these regulations.

XIII – Media Matters

Article 50 Responsibilities regarding media matters

50.01 Each participating association must appoint an English-speaking team press officer to coordinate cooperation between the association and the media in accordance with UEFA's rules and regulations. The team press officer must ensure that the media facilities provided by the association for matches meet the standards required for the match. Where requested, the team press officer assists UEFA in compiling editorial features and statistics to help promote the competition, and in providing information on teams and schedules. The team press officer must be present at all matches in order to coordinate all media arrangements, including training sessions and pre- and post-match press conferences and interviews, and to cooperate with the other team's press officer. The visiting team press officer must send a full list of media accreditation requests at least five working days before the match or mini-tournament to the host's press officer. Both team press officers must ensure that all accreditation requests come from bona fide media representatives.

Article 51 Team media activities

- 51.04** All players from both teams are obliged to pass through the mixed zone to conduct interviews with the media.
- 51.05** Interviews are not permitted before or during the match on the field of play itself or in its immediate vicinity. However, pre-match, half-time and flash interviews can take place according to the following rules:

Article 52 Accreditations and access rights

- 52.01** Unless protection nets obstruct the view, photographers may work in the areas behind the advertising boards between the goals and corners. They may only change ends at half-time or, if applicable, during the interval before the start of extra time. Photographers may work from the stands if located in a dedicated area and given permission to do so by the host. They may photograph all elements of the match, including the warm-up of the teams, the line-up, handshake procedure and coin toss, the game itself, and any post-match ceremonies.
- 52.02** Photographers may attend the post-match press conferences, space permitting. However, no photography is allowed in the mixed zone or flash interview area.
- 52.03** No media representatives are allowed to go on to the field of play before, during or after the match, except in the context of approved host broadcaster operations and audiovisual rights holders' approved post-match activities. Likewise, no media representatives are allowed in the players' tunnel or the dressing-room area, with the exception of UEFA-approved flash interview positions and a camera of the host broadcaster filming the following activities:
- a. team arrivals (as far as to the dressing-room area);
 - b. players in the tunnel before the match;
 - c. players returning to the pitch at the start of the second half.
- 52.04** A limited number of photographers, cameramen and production staff of the audiovisual rights holders – all equipped with the appropriate pitch-access accreditation – are allowed in the area between the boundaries of the field of play and the spectators.
- 52.05** The team dressing rooms are off limits to media representatives before, during and after the match. However, subject to the teams' prior agreement, one camera of the host broadcaster may enter the dressing rooms to film the players' shirts and equipment. This filming must be completed well before the arrival of the players. Any additional dressing room access for media (e.g. for post-match celebrations) must be agreed between the relevant team and UEFA in advance.
- 52.06** A position in the main stand should be foreseen for a camera crew from each team to conduct technical filming. Generally they should be in a central position or a position agreed by the teams and the local press officer.

A.1 Principles

The associations are classified on the basis of their results in the qualifying competitions and final tournaments of the 2015/16 and 2017/18 UEFA European Futsal Championships and 2016 FIFA Futsal World Cup.

Associations with the lowest coefficients in the rankings have to take part in the preliminary round, if one is required. The coefficient of an association which has not previously entered the competition is zero.

A.2 Match points

Points are awarded as follows:

- 2 points for a win (1 point for preliminary round matches);
- 1 point for a draw ($\frac{1}{2}$ point for preliminary round matches);
- 0 points for a defeat.

A.3 Bonus points

The following bonus points are awarded in relation to the 2016 and 2018 UEFA European Futsal Championship final tournaments:

- 1 point for reaching the final tournament;
- 3 points for reaching the quarter-finals;
- 5 points for reaching the semi-finals;
- 7 points for reaching the final.

The following bonus points are awarded in relation to the 2016 FIFA Futsal World Cup:

- 1 point for reaching the final tournament;
- 5 points for reaching the knockout stages;
- 7 points for reaching the semi-finals;
- 9 points for reaching the final.

The results of third-place matches in any of the above competitions do not count.

A.4 Coefficient calculation

Coefficients are calculated to the thousandth and not rounded up.

In each phase of the competition (including the final tournament), the total number of points obtained is divided by the number of matches played.

Match points are awarded only for matches which have actually been played, in accordance with the final scores ratified by UEFA. Penalty shoot-outs do not count.

A.5 Calculation of the association's coefficient

The coefficients obtained each season by the associations are added, then divided by three to produce the rankings.

A.6 Particular cases

The coefficient of an association which qualified automatically for a final tournament is calculated on the basis of the best coefficient possible from the qualifying competition.

A.7 Same coefficients

In the case of equal coefficients, the UEFA administration applies the following criteria to rank the associations concerned:

- a. coefficients in the last competition;
- b. goal difference in the last competition;
- c. goals scored in the last competition;
- d. goals conceded in the last competition.

If these criteria do not enable the administration to rank the associations in question, lots will be drawn.

A.8 Final decisions

The UEFA administration takes final decisions on any matters not provided for in these provisions.

Annex B – Safety and Security Instructions

B.1 Introduction

These instructions apply to the organisers of, and the associations participating in, matches in any UEFA futsal competitions. They detail the precautionary measures to be taken to ensure safety and security in the venues and to prevent crowd disturbances.

These instructions cannot be regarded as an exhaustive list of the security measures to be taken by the match organisers and participating associations. The aim of these instructions is to make the match organisers, be they associations or other entities, aware of their duties and responsibilities before, during and after the match in order to safeguard the safety and security of everyone present, as well as of the hall and its installations.

These instructions do not affect the legal obligations arising from the applicable national legislation.

B.2 Cooperation with match organisers and public authorities

In the interests of safety and security, associations must cooperate in full with the match organisers, irrespective of whether the match is to be played at home or abroad, and with the public authorities concerned. Similarly, in their dealings with visiting associations, and all other authorities involved, the match organisers must do everything possible to ensure that the event passes off without incident.

All parties involved in a match must do everything within their power to enable the public authorities (especially the police), in all the countries involved, to carry out an effective exchange of appropriate cross-border information.

The match organisers must seek the cooperation of the local police well in advance, to ensure the safety of the visiting team and officials at their hotel and when travelling to and from training and matches.

B.3 Identification of persons responsible for safety and security

The chief police officer or venue security officer with overall responsibility for safety and security relating to the match must be identified, as must all other individuals responsible for safety and security, medical services and fire services.

An adequate number of ground staff and police must be present, to guarantee safety and security in the hall.

B.4 Stewards

Sufficient and properly trained stewards must be on duty within the venue to ensure that spectators are directed to their seats efficiently and smoothly, without delay or confusion.

B.5 Liaison group

The match organiser must establish a liaison group which includes:

- a. a senior official acting on behalf of the match organiser;
- b. a senior representative of:
 - each of the public authorities concerned;
 - the stewards;
 - the hall owner;
 - the participating teams;
- c. the UEFA match delegate.

The match organiser must identify a suitable meeting place within the hall where the group should meet in the event of an emergency.

The members of the liaison group must be given a short, coded call sign which will be broadcast over the public address system for the purpose of summoning them to the agreed meeting place.

The match organiser must ensure that the members of the liaison group are able to communicate freely with each other via a radio-telephone link.

B.6 Inspection of the venue

The venue in question must have been thoroughly inspected by the competent local safety authorities, who must have issued a safety certificate testifying to its suitability. Such a certificate must have been valid for no more than one year prior to the date of the match.

B.7 Emergency services

Adequate rooms and facilities within and around the venue must be provided for the police, medical service and fire service, in accordance with the requirements of the public authorities concerned.

B.8 Segregation of spectators

For matches where spectators are segregated, a segregation strategy must be drawn up by the match organisers in conjunction with the participating teams and the chief police officer in charge of the match.

B.9 Information for spectators

The match organisers must ensure that spectators are made aware before the match, by public address system announcements or any other appropriate means, of all prohibitive measures and controls related to the match.

Additionally, supporters must be reminded of the importance of not attempting to take prohibited items or substances into the venue, of the need to behave in a sporting and reasonably restrained manner, and of the potentially serious consequences any breach of these obligations could have for the players and teams they support, including disqualification from competitions.

B.10 Drinks

The match organiser may only sell or distribute alcohol within the venue or its private environs if and within the limits permitted under the national law as applicable. All alcohol and alcohol-free drinks sold or distributed must be dispensed in paper or open plastic containers which could not be used in a dangerous manner.

B.11 Public passageways

All public passageways, corridors, stairs, doors, gates and emergency exit routes must be kept free of any obstructions, which could impede the free flow of spectators.

B.12 Protection of the playing area

Players and match officials must be protected against intrusion of spectators into the playing area. This may be accomplished in various ways, including one or more of the following examples, depending on individual circumstances:

- a. the presence of police and/or security personnel in or near the playing area;
- b. a seating configuration which situates front-row spectators at a height above the arena, which would render intrusion into the playing area improbable, if not impossible.

Whatever type of protection against intrusion is used, it must incorporate adequate means for spectators to escape into the playing area in an emergency, unless, in the certified opinion of the local safety authorities, adequate means of emergency evacuation, backwards and/or sideways, out of the stands exist, which would be sufficient to render the use of the playing area unnecessary for such a purpose.

The type of protection adopted against intrusion must be approved by the competent local authorities and must not represent a danger to spectators in the event of panic or an emergency evacuation.

No spectators are allowed in the area between the stands and the touch line or goal line.

B.13 Public address system

Every venue must have a public address system which can be heard clearly above the crowd noise, both inside and outside the venue, even in the case of a sudden upsurge in spectator noise levels. The system must also be capable of addressing

the various sectors of the venue individually. The police authorities and/or the venue security officer should be able to override the public address system to make emergency announcements.

B.14 Announcements

Announcements over the public address system must be of a strictly neutral character. The public address system must not be used to communicate political messages, to support the home team, or for any form of discrimination.

B.15 Provocative action and racism

The match organisers, together with the security authorities, must prevent any provocative action from being taken by spectators inside or in the immediate vicinity of the venue (unacceptable levels of verbal provocation from spectators towards players or opposing fans, racist behaviour, provocative banners or flags, etc.). Should such action arise, the match organisers or security authorities must intervene over the public address system and remove any offensive material. Stewards must draw the attention of the police to serious acts of misconduct, including racist insults, so that offenders may be removed from the venue should the police so decide.

Associations and match organisers must implement and apply UEFA's 10-point plan on racism.

B.16 Emergency power supply

Each venue must be equipped with an independent emergency electrical power supply which could be used in the event of power failure, to ensure a degree of lighting which is sufficient to prevent any danger to the public. The competent local authorities must approve the public lighting system and the emergency back-up system.

B.17 Ticket details and sales conditions

For all matches, ticket sales must be strictly controlled. A ticket should provide ticket-holders with all the information they might need, i.e. the name of the competition, the names of the participating teams, the name of the venue, the date and kick-off time, and a clear indication of the seat location (sector, row, seat number). In addition, the following details should be produced and distributed with the ticket: opening times of the gates, hall regulations including prohibition of alcohol and offensive articles, procedure for searching spectators, etc.

Annex C – Mini-Tournament Requirements

C.1 Introduction

This annex sets out the requirements for hosting a mini-tournament or match in the UEFA European Qualifying Competition for the 2020 FIFA Futsal World Cup. For the sake of simplicity, "host" refers to the national association hosting a mini-tournament/match.

C.2 Tournament schedule

The host is responsible for notifying the other participating associations and the UEFA administration of all match details (dates, venues, kick-off times and hotel accommodation) by the set deadlines. In match halls without any proper warm-up area, and in the case of two consecutive matches, the hosts must leave at least 2 hours 15 minutes between each kick-off.

C.3 Local organising committee

The host is responsible for setting up a local organising committee (LOC) composed of at least:

- a. 1 tournament director (who should not have a leading role with his own team);
- b. 1 accommodation manager;
- c. 1 transport manager;
- d. 1 sports facilities and match organisation manager;
- e. 1 PR, promotion and ticketing manager;
- f. 1 TV/media, sponsors, concessions and VIP hospitality manager;
- g. 1 referee liaison officer (RLO);
- h. 1 team liaison officer for each visiting team;
- i. 1 medical officer;
- j. 1 press officer.

The host must ensure that the members of the LOC are duly authorised to fulfil their various tasks.

C.4 Accommodation requirements

All tournament participants must be accommodated in high standard four-star hotels. If possible, each team should be accommodated on a different floor or wing. The host must:

- a. ensure that the teams can prepare for their matches in a comfortable, quiet and undisturbed environment;

-
- b. at the organisational meeting, provide the delegations with clear information on safety regulations and procedure applicable in case of an emergency, rules regarding telephones, pay-TV, internet, mini-bars and other extras, as well as the code of conduct in the hotel;
 - c. prepare a room occupancy plan and distribute it to the UEFA representatives only;
 - d. ensure that all rooms:
 - have bathroom and toilet facilities which meet standard hygiene requirements;
 - have adequate wardrobe space;
 - are equipped with heating and/or air-conditioning;
 - are cleaned daily.

C.4.1 Rooms for the delegations

The host must provide and pay for the following rooms for each delegation (maximum of 21 people per delegation):

- a. 7 twin rooms for the 14 players (two single beds must be provided in these rooms; one large bed for two players is not acceptable);
- b. 7 single rooms for the 7 team officials (same hotel as their team);
- c. a storage room for each team (ideally on the team's floor/wing);
- d. one room per team for medical treatment, equipped with massage table.

A suite could be provided for use as a storage and medical room with massage table.

Additional delegation members may be accommodated at the same place or nearby, at the expense of the visiting association.

C.4.2 Rooms for the referees and UEFA match officers

Single rooms must be provided for the four referees, UEFA referee observer, UEFA match delegate and, if applicable, referee liaison officer and timekeeper, in principle all at a different hotel from the teams.

C.4.3 Meeting rooms

The host must cover the costs for the following meeting rooms equipped with a flip chart and TV/DVD set or projector, according to the team's requests:

- a. Each team should be provided with a meeting room for a minimum of 20 people, to be at its disposal for the entire duration of the tournament. If this is not possible, two teams can be asked to share one meeting room. A meeting schedule should be established with the teams before the organisational meeting.
- b. One meeting room must be booked for the referees (at the referees' hotel).

C.4.4 Dining room

A spacious dining room split into different areas – one for the teams, one area for the UEFA match delegate and LOC and, if in the same hotel, one for the referees – must be provided. Officials must refrain from smoking and drinking alcohol in the dining room in front of the players.

C.5 Food requirements

C.5.1 Meals

Meals must be provided according to the following rules:

- a. Three meals a day must be served to the teams and the UEFA representatives in accordance with their match and training schedules. Menus should respect sports nutrition guidelines as well as taking the national eating habits of the participating teams into account.
- b. A detailed menu plan must be submitted to the participating teams one month before the start of the mini-tournament. Should a team have any special dietary requests, these must be submitted to the host at least two weeks before the start of the mini-tournament. Any cost difference between the proposed and requested menus must be borne by the requesting team.
- c. The hotels should be flexible when it comes to catering for special requests and the teams should be able to bring their own cook, food and drink. The hotels must also be flexible about mealtimes in order to adapt to the kick-off times of matches and the teams' return travel to the hotel.
- d. A good variety of food in sufficient quantities must be provided. All meals should be served buffet style and the food must be kept at an appropriate temperature all the time.

C.5.2 Snacks, light meals

As a rule, snacks or light meals between ordinary meals must be made available to the teams upon request and paid for by them. However, if such a meal replaces an ordinary meal, the host must cover the costs. If it consists of an additional meal, the requesting team must pay for it.

C.5.3 Drinks

A sufficient supply of still mineral water, soft drinks, coffee and tea must be made available for the participants at the three meals covered by the mini-tournament budget, while milk (hot and cold), fruit juice and chocolate drinks or powder must also be available at breakfast time. In addition, a minimum of 48 litres of still mineral water must be provided per day for each team to cover their needs for their training sessions, matches and other use such as water in their rooms. Still mineral water and energy drinks should also be provided to the refereeing group. All other drinks must be paid for by the teams or individuals concerned.

C.6 Kit laundry

The host must pay for a 24-hour laundry service (hotel service or other) for the playing kits of the participating teams and referees (kit which has been worn for matches, i.e. shirts, shorts and socks, but not tracksuits, undershirts and undershorts).

C.7 Tournament office

A centrally located and easily accessible tournament office must be set up at the hotel or one of the hotels where the teams are staying. It should be equipped with an internet connection or Wi-Fi, a photocopier and a small printer – unless these last two services can be provided by the hotel at the host's expense. This room serves as the mini-tournament headquarters, where:

- a. the UEFA match delegate and, if accommodated in the same hotel, the refereeing group can carry out administrative work;
- b. information can be obtained on the mini-tournament.

C.8 Training sessions

For mini-tournaments, one training hall must be made available for the entire duration, to be shared by all four teams, which should have the same playing surface as in the match hall. The teams must be given the possibility to use this hall at any time and as often as requested. The training hall can be the same hall as the match hall. In this case, the host must arrange a training schedule, taking the visiting teams' wishes into account as far as possible.

The training hall must be located near the team accommodation. Travel time by bus from a team's accommodation to the training hall must not exceed 20 minutes.

C.9 Match hall requirements

As a rule, each match hall must meet the following requirements:

- a. The hall must be located within a one-hour bus ride of the team accommodation.
- b. The pitch must measure at least 38 x 20m.
- c. The hall must be equipped with two benches at pitch level. Each bench must provide seating for 15 people in total. These benches must be positioned at least two metres from the touch line and must not pose a risk to the safety of the players. In addition, a table with five seats must be provided between the substitutes' benches.
- d. One replacement goal must be available in the hall.
- e. The hall must provide adequate public first aid and fire-fighting equipment as well as sanitary facilities for both sexes, and must meet UEFA's requirements for the safety and security of spectators.

-
- f. The hall should be equipped with a public address system including a CD player.
 - g. At least one massage table and one tactical board must be provided in each dressing room.
 - h. It should be possible to suspend a minimum of three flags in the interior of the hall.
 - i. There must be facilities for the players and referee team to take hot showers after the match.
 - j. A minimum of four ball kids and two moppers should be provided for each match.

C.10 Transport

The host is responsible for satisfying the following transport requirements:

- a. The teams, referees and UEFA match officers must be welcomed upon their arrival in the host country and transported to the hotel. They must also be provided with transport from their accommodation to their point of departure at the end of their stay.
- b. Each team must be provided with a modern 30-seater bus (with air-conditioning and dedicated driver) for the entire duration of the tournament to cover all the team's reasonable requests, including local excursions. The host must provide the visiting teams with the transport concept/rules at the organisational meeting.
- c. Two people carriers (minibuses with six to eight seats), with drivers, must be provided to transport the referees to and from matches. Unless travelling with the refereeing group, the UEFA match delegate must have a dedicated car.
